Dear Fellow Lions, Lioness and Leos:

September has been very busy with visiting 11 Clubs and attending the USA/Canada Leadership Forum in Grand Rapids, Michigan. Our District with the help of Lion Tom Brumbaugh from the Chalfont Lions met the family from Puerto Rico at the airport and transferred them to the Ronald McDonald House. The boy had surgery on September 21.

I have posted in this newsletter my visitation schedule for the rest of the year. I am waiting for a few Clubs to get back to me to confirm dates. Lions have called/ emailed that they want to do a joint meeting with other Clubs in their zone. I need to hear from you so I can adjust my schedule.

Ted and I attended the Chartering of the new Temple Campus Club on September 22. It was great to see so many interested in being a Lion. There were over 35 students at the meeting. It was chartered with 20 students. Great job by PID Jim Cavallaro, 1st VDG Jim Beermann for their hard work getting this club started. We have been contacted by student at another local college to start another Campus Club. Our District is plus 24 members now.

Club Secretaries, please go through your membership list and update addresses, home, cell phone numbers, email addresses. It is so important that this information is current.

My directory should be back from the printers shortly. It will be given to your Zone Chairs to get out to Presidents, Secretaries, and Treasurers.

REMINDER TO CLUBS THAT HAVE NOT PAID THEIR INTERNATIONAL DUES. YOU WILL BE PLACED ON FINANCIAL SUSPENSION AS OF OCTOBER 12. YOU WILL NOT BE ABLE TO DO ANY FUND RAISING DURING YOUR SUSPENSION. THIS IS LCI’S RULING.

DG Estella Kristiniak
1st Vice-District Governor’s Message

President Jitsuhiro Yamada has made service to children a primary focus this year with the Children’s Dignity Initiative. Therefore, during our 2015-2016 Lions year, we as Lions should encourage each other to make a difference in the lives of children. Let’s start by reviewing what can be done in our local communities.

Please make certain your Club has filed its PU101.

Also, all Clubs in District 14A need to be aware of the amended Financial Suspension Policy made by Lions Clubs International. Effective July 1, 2015, clubs will have 90 days to pay outstanding balances before they are in jeopardy of automatically being placed on suspension.

Please pay all Club invoices promptly.

1st Vice District Governor James (Jim) Beermann

To all the Lions, Lioness and Leo's of Montgomery County.

I regret to inform you that due to unforeseen and unplanned circumstances, the Montgomery County Rally that was scheduled for November 10, 2015 has been cancelled. It will resume next year (November, 2016) utilizing a new leadership format.

Thank You,
PDG Dan Hummel

Center City Vision Screening Project

Our next screening project is set for Saturday, October 3, 2015 at 1417 Locust St, Phila. We will provide eye exams and prescription glasses to underserved folks in the 14 to 24 age range in the downtown Phila area. Last year we provided 85 pairs of glasses to these people in need.

**Club Meeting Program Available**

The Foundation now has a power point presentation available for club meeting programs. The program tells about the Foundation and the services it is providing in our District. Please contact PDG Jim Harrington to schedule your club meeting date at jimaharri35@yahoo.com or call at 484-410-4118. Our most recent presentations were at the Upper Perkiomen Valley Lions and Bensalem Lions meetings.

Good Samaritan Awards

Good Samaritan Awards provide a way for clubs to honor and recognize club members and community leaders for their outstanding service to the community or the less fortunate. By purchasing these awards, clubs not only recognize outstanding service of individuals in our District, but also support the Charitable Foundation in its efforts to provide for needs throughout our District. This fiscal year all clubs in the former District 14R are eligible to obtain one Good Samaritan Award for a $200 donation to the Foundation. Subsequent awards require the usual $400 donation. This special rate is now over for the original 14A clubs.

THIS IS YOUR LAST REMINDER OF TAX FORM DUE

From PDG Donald Richardson:

Attention Club Officers: Time to File IRS 990

IRS regulations require all non-profit organizations to file annually within 90 days of the year end. Most Clubs can file online what the IRS refers to as 990N (e-postcard). If you need your Federal Tax ID# checks with your bank, they will have it on file. Or, log into MYLCI and your tax ID# is there along with your Club info. Lastly you can go to IRS.gov and do a search.

Most important, do not use the District ID# or Lions Clubs International ID#. Each Club has their own unique number. Lastly do not confuse your Federal tax ID # with the Pennsylvania Sales Tax exemption.

More info from PDG James Harrington:

Date to File and which form: IRS 990, 990-EZ or 990-N

The time due is 5 months, 15 days after close of year. For Lions Clubs our year ends June 30, therefore due date is November 15th. I would use the common terms for the ID which is EIN or TIN. If a club’s gross income is normally less than $50,000 it can file the 990-N (postcard). If gross is over $50k, it must file the Form 990 or Form 990-EZ.

A Little More:

Most Clubs can file online what the IRS refers to as 990N (e-postcard). If you need your Federal Tax ID# check with your bank, they will have it on file. Or, log into MYLCI and your tax ID# is there along with your Club info. Lastly you can go to IRS.gov and do a search. Each Club has their own unique number.

Most important, you may not use the District tax ID# or Lions Clubs International tax ID#. (note: do not confuse your Federal tax ID # with the Pennsylvania Sales and Use Tax exemption).

Failure to file may result in your Club losing its non-profit status. The restoration process is cumbersome and can be costly.

Doylestown Lions inducted three new members on September 23, 2015.

Our speaker for the evening, Council Chair Terri Kodgis
Dear U.S. Lion,

We are pleased to share that Lions Clubs International is extending the Involve a U.S. Veteran pilot program through June 30, 2016. This program waives the charter or entrance fee for U.S. Veterans joining a Lions club in the United States.

Eligible veterans include retired U.S. military personnel or honorably-discharged members of the Air Force, Army, Coast Guard Services, Marines, National Guard, Navy or Reserves. Those currently serving in the National Guard or Reserves are also eligible. Lions Clubs International will provide an entrance fee waiver of $25 ($30 for charter members) to qualified U.S. veterans that join a local Lions club.

Veterans have made so many great contributions and sacrificed so much to serve our country. As service members return home from serving in the military, let’s offer them an opportunity to get involved in their communities.

Visit the Involve a U.S. Veteran web page to download a fact sheet, promotional flyer, certification form and a sample press release.

Make plans now to reach out to veterans in your community and offer them the opportunity to make a difference and change lives as Lions.

Sincerely,

Membership Development Division
