Lions, Lionesses, and Leos

My current visitation schedule is provided in this issue of the Announcer. If you’ve not already done so, please have your President or Secretary contact me at jimebeermann@gmail.com to set a date for my visit with your Club members.

The 100th annual Lions Clubs International Convention will be held in Chicago from Friday, June 30, 2017, to Tuesday, July 4, 2017. If you’re making the trip to Chicago, I hope to see you there.

The 94th annual MD-14 PA State Council of Lions Clubs Convention was held at Seven Springs Mountain Resort, in Seven Springs, PA. During the Convention the Past District Governors held a special service project involving the packaging of 30,000 meals for Seven Springs families in need. All in attendance enjoyed the Lions fellowship.

Please check and make certain that all International, State, and District invoices have been paid in full. Thank you.

And, to all you Secretaries out there, if you’ve not already filed your 2017-2018 PU 101s, please file them as soon as possible. It is important that 2017-2018 Lions Officer Credentials are available in the LCI data base.

According to my calendar, as of Thursday, May 25, 2017, we have 37 days of service remaining in Lions Year 2016-2017, to serve the many people in our Lion communities. But, let’s not stop there. Please join me in pledging our support to assist District Governor Elect Wayne Bickel during the upcoming 2017-2018 Lions Year. Your help will make a difference!

THANKS TO ALL THE DISTRICT 14 A LIONS, LIONESS, AND LEOS FOR ALL YOU DID TO MAKE THIS A SUCCESSFUL LIONS YEAR.

District Governor James Beermann

Fellow Lions,

It's hard to believe that this lion year is coming to an end for District Governor Jim. He has been making so many visits. It's been a pleasure to Serve under DG Jim.

We wrapped our District convention in April and what a wonderful time that was. We then headed to Seven Springs for the State Convention. We had several hundred Lions in attendance. 2ND VDG Rita and I had our final State wide training sessions. It was also great to see other members from our District in attendance. Gives you a warm feeling knowing your not alone.

We packed thirty thousand meals on Saturday for those less fortunate. I must admit it was a blast and gave us such a great feeling. It's off the Chicago on June 25th till July 5th for the International Convention. Will have the first three days of my final training and then be officially installed as District Governor.

It certainly has been a fun year traveling throughout the District and State meeting all kinds of new Lions and friends. I look forward to seeing everyone again this year and bringing our new International President's message.

We are in the process of making my visitation schedule and working on the new directory. If you could it would be great to get the new officers info emailed to myself at wbbslb1@aol.com so I may continue working on these items.

I hope everyone enjoyed their Memorial Day weekend and let the summer begin.

Hope to see all at Lions Camp Kirby on June 12th for our final cabinet meeting and the District Governor's picnic.

Thank you,

DGE Wayne Bickel
Lions, Leos, and Lioness

At the end of this month most of our District's Clubs will go dark - no meetings, no projects. Continue to encourage membership opportunities during the summer months.

You might be seeing old friends, making new acquaintances, and talking to relatives you haven't seen in a while. Talk up the rewards of belonging to the largest service organization in the world and the feeling you get by serving others.

Check on the possibility of future community projects by speaking with your neighbors. These suggestions only take a few minutes, but if new members or service opportunities are born of them, they're well worthwhile.

Zone Chairs and Club Presidents get to work setting up joint visitation dates for DG-E Wayne. Both 2VDG-E Bill and I would like to have the majority of visitations scheduled as soon as possible. Also Secretaries, don't forget that the PU101s were due May 15th. We need those to print an up-to-date District Directory.

I hope all of our District Lions who are attending the International Convention in Chicago have a wonderful time. Enjoy!

1st VDG Elect Rita DiAntonio

Kids Sight Program

The Lions International Centennial Service Challenge is an opportunity for Lions and Lioness Clubs to celebrate our 100th Anniversary by doing what we do best – serving others. Our Foundation’s Kids Sight Program is an easy way for clubs to participate in a community service project and meet this LCI service challenge.

The Foundation has two PediaVision SPOT vision screeners for use in the District (see photo to left). These devices can quickly scan the eyes of youngsters and provide instant and accurate feedback on common vision issues. With two of these devices approximately 60 kids can be screened per hour.

All that is needed to perform a screening with one of these screeners is to enter the youngster’s name into the screener, then point it towards the eyes of the youngster. If issues are detected, a report is automatically printed out.

Please contact our Foundation Board Member, PDG George Kirkwood for more information and reserve a date for a club meeting program covering the use of the SPOT at 610-845-0045 or kirkwoodgeorgej@gmail.com

Lions and Lionesses are Welcome to Board Meetings

Lions and Lionesses in our District are welcome to attend the Foundation Board meetings which are conducted every other month, starting at 9:00 am. Our meetings are held at Friendly’s Restaurant, Fort Washington and start with breakfast. The next meeting is scheduled for Wednesday, June 14th. Please contact Board Member PDG Gerri Towson at peacefullion@verizon.net or 215-620-7151 prior to attending so that we can provide adequate seating.

Need a Club Meeting Program?
The Foundation has two different programs available for presentation at your meeting

1. A power point presentation that tells about the Foundation and the services it is providing in our District. Please contact PDG Jim Harrington to schedule your club meeting date at jimaharri35@verizon.net or call at 484-410-4118.

2. A program which provides education on diabetes, the leading cause of blindness. Please contact PDG Ken Moore to schedule a date at 267-205-1960.

Good Samaritan Awards

Good Samaritan Awards provide a way for clubs to honor and recognize club members and community leaders for their outstanding service to the community and the less fortunate. By donating at least $400 to the Foundation, clubs not only recognize outstanding service of individuals in our District, but also support the Charitable Foundation in its efforts to provide for needs throughout our District. This minimum gift to the Foundation for an Award can be accumulated over time.

SOME CLUB MEMBERS NOT RECEIVING THE ANNOUNCER?

Presently there are about 800 Lions and Lionesses on our Announcer e-mail list. Each month several of the monthly newsletters bounce back to us, mostly because the address is unknown, disabled or over quota. A large majority arrive at your computers. There are several possibilities why some members still are not receiving it even though it came to your computer:

1. The club member may not be on our list yet. Secretaries should send their e-mail list to me (see information below). I will see that missing names are added.

   SINCE THIS ARTICLE WAS ORIGINALLY PUBLISHED THE MIDDLE OF LAST YEAR, A GRAND TOTAL OF TEN CLUBS HAVE SUBMITTED THEIR E-MAIL LIST.

2. Your personal e-mail settings may be blocking it or sending it to the trash or spam folders. Check these folders and your settings and make the District e-mail address one of your contacts

   ( lionsnews@lions14a.org )

3. If all fails, inform your members that they can download the Announcer from the District website

   ( www.lions14a.org )

Please contact me to add members to our list or ask questions. Thank you.

Dear Lion,

It's hard to overstate the value of our Foundation. For nearly 50 years, Lions Clubs International Foundation (LCIF) has supported the life-changing work of Lions, serving some of the most vulnerable people and the neediest places on Earth.

LCIF will play a key role in supporting our new global service framework and reaching our LCIF Forward goal of serving 200 million people per year by 2021. That kind of life-changing service requires the commitment that only Lions have. But it also requires funding. LCIF supports the work of Lions through grant funding so we can have a bigger impact, bringing long-term help to more people than ever before.

LCIF supports Lions, but how will you support LCIF? Every act of kindness and every dollar matters when you're investing in hope. Every dollar flows back into our communities through the effort of Lions. And each dollar is spent where it will have the most impact.

I encourage you to work with your club to make a donation to LCIF. Your support will make a real difference in the life of someone who needs it most, so please give today.

Jazz, swing, ragtime, funk, rock! The Doylestown Heat plays an energetic mix of music that everyone can enjoy. One thing is for sure: you won’t be able to keep your feet still.

The Doylestown Heat is the ambassador band of the Doylestown Lions Club. The Doylestown Lions Club sponsors us, and all of the money we earn from appearances goes back to the Doylestown Lions Club for community service projects. Our reward is the fun we have making music and the appreciation we get back from our listeners!

The band is dedicated to offering the public a wide range of musical styles that lend themselves to the big band sound. In addition to the music of the big band era made famous by Glenn Miller, Count Basie, Duke Ellington, Buddy Rich, and others, the band plays tunes from the 20’s and 30’s, as well jazz, funk and fusion works from the 50’s, 60’s, 70’s and beyond. The band’s repertoire is expertly interpreted by its music David O’Neill, an active local musician and music educator.

The band’s members, all of them skilled musicians, come mainly from around the Doylestown area and range in age from high school students to veteran musicians. This mix of ages provides for a lively dynamic that is reflected in our music. What we all have in common is our love for music and the fun we have making it!

The band is a perfect fit for senior communities, park concerts, festivals, and fund raising events.

For more information, contact us by email at: info@doylestownheat.org, and we will reply promptly.

You can also contact our business manager Ed Lisowski by telephone at: 215-872-1227.
Dear District Leader,

We are writing to inform you that we are consolidating new member and charter fees into a single category called entrance fees. As part of this consolidation, we will have a single entrance fee of $35 for new members and chartered clubs as of July 1, 2017.

This consolidation and fee increase, the first since 1993, will allow us to:

• Increase member benefits
• Improve the member experience
• Simplify the new member enrollment process by having a single entrance fee type

We will support the entrance fee change with the following LCI communications:

• Announcement emails to club leaders and GMT leaders
• A follow-up reminder reinforcing the above messages
• A brief notification on club monthly statements

Please download the entrance fee talking points to help discuss the change with your clubs.

It’s an exciting time to be a Lion. We look forward to working on your behalf to make sure Lions remain stronger than ever, and we thank you for everything you do to make Lions Clubs International a world-class service organization.

Very truly yours,

Chancellor Bob Corlew
Your International President

---

Dear Lions,

Our thoughts go out to all those affected by the famine in East Africa and the landslide in Colombia. In times of crisis, Lions are often among the first to offer critical supplies of food, water, temporary shelter, and clothing. Lions Clubs International Foundation (LCIF) is right there beside them, ready to support their efforts with fundraising assistance through disaster relief grant programs.

Your generous donations to LCIF enable us to respond swiftly wherever and whenever the need exists. Please consider making a donation LCIF’s disaster fund today so that we may continue to provide help and hope to those who need it most.

Sincerely,
Dr. Jitsuhiro Yamada
